FINANCIAL AGREEMENT

If you have medical insurance: We will file claims to your medical insurance company for the services that are provided by our office. In order for the claims to process correctly, please ensure that the information that is provided to our office on the patient information form is accurate and current. If there is a change in insurance information please let us know immediately. We will submit to secondary insurance as long as we are given the correct information and we are notified that you would like this service done.

Deductibles, Co-Payments, and Coinsurance: Co-payments are constant and due at the time the service is rendered. Coinsurance and deductibles vary for each insurance policy and we can only approximate the percentage covered by each plan. *Payment of the estimated deductible portion is due at the time of service.*

Authorizations: A copy of your insurance card is required at the time of the initial service. The card is descriptive and indicates whether an authorization is needed. Oftentimes, the behavioral health benefits are under a separate company and we must contact them to verify the necessity of an authorization. If a copy of the card is not on file at the initial service date and the claim is denied for "no authorization," you will be responsible for the payment.

Provider Coverage: We are able to provide you with our list of providers who participate with your insurance company. However, we are not responsible for ensuring that our provider is covered under your particular plan provision. Each insurance company has multiple plans. The provider may participate with the insurance company, but not your particular plan. Please contact your insurance company to verify that the provider you are seeing is appropriately covered. It is ultimately your responsibility to verify coverage for your particular plan. If the insurance company denies the claim for a plan provision, you will be responsible for the balance.

Medical insurance coverage is a contract between you and your insurance company. WE ARE NOT a party to this contract. We can not be involved in disputes between you and your insurance company regarding deductibles, copayments, covered charges, secondary insurance, "usual and customary" charges, etc., other than to supply factual information as necessary. You are ultimately responsible for the timely payment of your account.

PAYMENT METHODS AND OTHER INFORMATION: We accept cash, check, VISA, MasterCard, Discover or AmEx Accounts can be set up on payment plans if necessary, at no additional cost.

Accounts that are past due more than 60 days will be turned over to our collection agency and reported to the Credit Bureau. Accounts that have statements returned with no forwarding address will be charged \$10 and turned over to a collection agency.

All late cancellations and no-shows will be billed \$75 automatically. (We require 24-hour notice in advance to avoid charges.)

Paperwork charges do apply and can range between \$50-\$200 depending on the length of report or number of pages to complete.

A SPECIAL NOTE: In situations of divorce, separation, court orders, child custody, etc., the party initiating treatment will be financially responsible for the account (including no-shows and late cancels).

We are committed to providing you with the best possible care and we are willing to discuss our professional fees at any time. Your clear understanding of our Financial Policy is important to our relationship. Please ask if you have any questions about our fees, Financial Policy, or your financial responsibility.

Non-covered services

If you are requesting a service that is not a benefit of your health coverage plan, you will be asked to sign a notice or waiver acknowledging noncoverage of said services.

(Medicare – "ABN", Tricare – "Request for Non-Covered Services")

Active Duty Service Members

You need a referral from your primary care manager (PCM) for any care he/she doesn't provide. This includes urgent, routine, preventive, and specialty care services.

- Your PCM works with your regional contractor for the referral and authorization.
- Your contractor will try to refer you to a military hospital or clinic first.
- If not available, you're referred to a network provider (in your region).

You can't get any care without seeing your PCM first. If you do, you may be responsible to pay for the care out-of-pocket.

Medi-Cal Members

You can access the *Guide to Medi-Cal Mental Health Services* booklet at: https://www.sandiegocounty.gov/content/dam/sdc/hhsa/programs/bhs/documents/GuideMediCal082113.pdf

This booklet will inform you of the mental health services available to you and how to access them. You may also get information on your rights under this program, the grievance/appeal process, as well as lists of doctors, clinics and hospitals in San Diego County and where they are located.

CALIFORNIA PHYSICIAN-PATIENT ARBITRATION AGREEMENT

Article 1: Agreement to Arbitrate: It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review or arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional rights to have any such dispute decided on a court of law before a jury, and instead are accepting the use of arbitration.

Article 2: All Claims Must be Arbitrated: It is the intention of the parties that this agreement bind all parties whose claims may arise out of or related to treatment or service provided by the physician including any spouse or heirs of the patient and any children, whether born or unborn, at the time of the occurrence giving rise to any claim. In the case of any pregnant mother, the term "patient" herein shall mean the mother and the mother's expected child or children. All claims for monetary damages exceeding the jurisdictional limit of the small claims court against the physician, and the physician's partners, associates, association, corporation or partnership, and the employees, agents and estates of any if them, must be arbitrated including, without limitation, claims for loss of consortium, wrongful death, emotional distress or punitive damages. Filing of any court by the physician to collect any fee from the patient shall not waive the right to compel arbitration of any malpractice claim.

Article 3: Procedures and Applicable Law: A demand for arbitration must communicate in writing to all parties. Each party shall select an arbitrator (party arbitrator) within thirty days and a third arbitrator (neutral arbitrator) shall be selected by the arbitrators appointed by the parties within thirty days of a demand for a neutral arbitrator by either party. Each party to the arbitration shall pay such party's pro rata share of the expenses and fees of the neutral arbitrator, together with other expenses of the arbitration incurred or approved by the neutral arbitrator, not including counsel fees or witness fees, or other expenses incurred by a party for such party's own benefit. The parties agree that the arbitrators have the immunity of a judicial officer from civil liability when acting in the capacity of arbitrator under this contract. This immunity shall supplement, nit supplant, any other applicable statutory or common law. Either party shall have the absolute right ti arbitrate separately the issues of liability and damages upon written request to the neutral arbitrator. The parties consent to the intervention and joinder in this arbitration of any person or entity which would otherwise be a proper additional party in a court action, and upon such intervention and joinder any existing court action against such additional person or entity shall be stayed pending arbitration. The parties agree that provisions of California law applicable to health care providers shall apply to disputes within this arbitration agreement, including, but not limited to, Code of Civil Procedure Section 340.5 and 667.7 and Civil Code Sections 3333.1 and 3333.2. Any party may bring before the arbitrations a motion for summary judgment or summary adjudication in accordance with the Code of Civil Procedure. Discovery shall be conducted pursuant to Code of Civil Procedure section 1283.05, however, depositions may be taken without prior approval of the neutral arbitrator.

Article 4: General Provisions: All claims based upon the same incident, transaction or related circumstances shall be arbitrated in once proceeding. A claim shall be waived and forever barred if (1) on the date notice thereof is received, the claim, if asserted in a civil action, would be barred by the applicable California statute of limitations, or (2) the claimant fails to pursue the arbitration claim in accordance with the procedures prescribed herein with reasonable diligence. With respect to any matter not herein expressly provided for, the arbitrators shall be governed by the California Code of Civil Procedure provisions relating to arbitration.

Article 5: Revocation: This agreement may be revoked by written notice delivered to the physician within 30 days, or signature. It is the intent of this agreement to apply to all medical services rendered any time for any condition. Article 6: Retroactive Effect: If patient intends this agreement to cover services rendered before the date it is Effective as of this agreement to apply to all medical services rendered any time for any condition.

Article 6: Retroactive Effect:	If patient intends this agreement to cover	services rendered before the date it is Effe	ective as of the date of

If any provision if this arbitration agreement is held invalid of unenforceable, the remaining provisions shall remain in full force and shall not be affected by the invalidity of any other provision. I understand that I have the right to receive a copy of this arbitration agreement. By my signature below, I acknowledge that I have received a copy.
